Re: Implications on Plant Vogtle of Tax Plans in Congress

Dear Mr. Bowers,

Like you, I have been following tax reform efforts in the U.S. Congress. With the U.S. House already having passed its version of tax reform and a vote looming in the U.S. Senate as I write this letter, I am interested in knowing what impact, if any, corporate tax deductions might have on the Plant Vogtle nuclear construction project.

Recognizing that any new tax rate might go into effect in January, your timely reply would be appreciated.

Sincerely,

Stan Wise
Chairman
